Work Experience

University of Washington • Seattle • WA

(Jan 2024 - Present)

Reader/Grader

- Managed grading and student outreach for a class of over 700 students in tandem with a teaching team
- Created assignments for students in tandem with teammates, developing collaborative skills

Incline Architects • Salt Lake City • UT

(Jan 2023- Sept 2023)

Design Associate

- Served as an office architectural visualization specialist allowing for expansion of online marketing efforts and improved project proposals
- Hosted new technology seminar sessions to update the office on emerging software, increasing office productivity and efficiency
- Co-led early design surveying and data collection from end-users to help inform the design of a high-end office remodel in downtown Salt Lake City
- Developed skills in the creation of precise construction drawings, improving attention to detail

Mint Architects • Salt Lake City • UT

(May 2022 - Dec 2022)

Draftsman

- Gained experience in working across multiple building typologies, including mixed-use residential, coworking spaces, dentist's offices, restaurants, and hospitality
- 3D modeled custom furniture, worked on interior design and casework for kitchens and restrooms in luxury projects

Georgia Cancer Specialists • Atlanta • GA

(May 2015 - Sept 2017)

Executive Assistant

- Coordinated mail delivery for over 30 oncology offices across the metro Atlanta area
- Assisted with data entry and filing in the HR department
- Provided customer service to incoming callers seeking information from executives or doctors, improving customer service

Activities and Volunteering

Host • Seattle • WA

(April 2024)

Host of the AIAS Bloom Quad Conference Symposium on Affordable Housing

- Coordinated the appearance of local experts on affordable housing for a lecture and Q&A session with students from universities across the western United States
- Prepared questions, guided discussion, and fielded audience questions during the session

Missionary • Osorno • Chile

(Sept 2018 - Apr 2020)

Missionary

- Served members of local communities, developed door to door skills while spreading messages pertaining to the church, and provided auxiliary service for local church branches
- Managed productivity, morale, and travel plans for a group of over 15 missionaries

Eagle Scout • Atlanta • GA

(Sept 2014)

Clothing Drive

- Managed and participated in a volunteer clothing drive that collected over 2000 articles of clothing for the trauma center at Grady Memorial Hospital in Atlanta
